

IECEX Recognised Training Provider (RTP) Program

Mark Amos
Business Manager
IECEX Secretariat

Henrik Eklund
Country Manager
Trainer Korea

Who needs training ... I've been doing this job for years !

IECEx Recognised Training Provider (RTP) Program

WHAT is it ?

The *IECEx Recognised Training Provider Program* provides the international market with confidence that recognised organizations have implemented processes to manage and provide training services related to the selection, design, inspection, installation, maintenance, repair, overhaul and reclamation of equipment operating in explosive (Ex) atmospheres.

IECEX Recognised Training Provider (RTP) Program

More information available at

Unit Ex 000

Basic knowledge and awareness to enter a site that includes a classified hazardous area

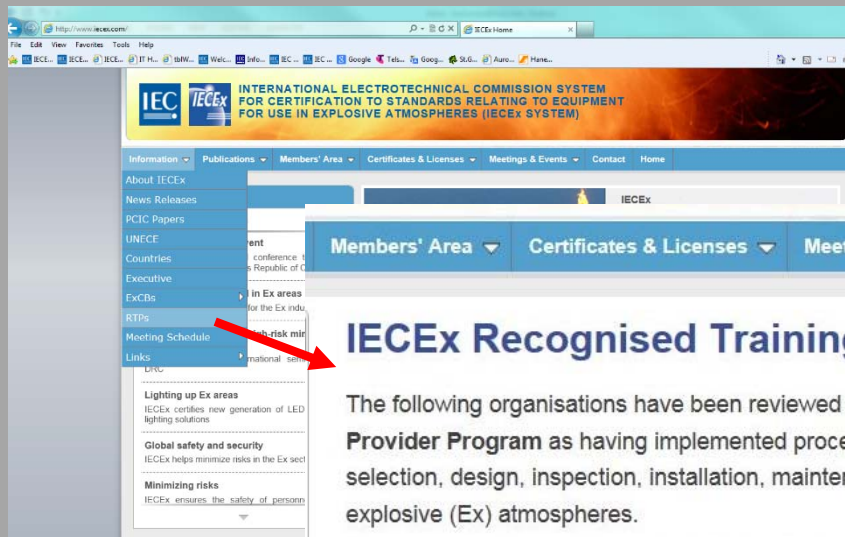

Finding an IECEx Recognised Training Provider (RTP)

<http://www.iecex.com/>

The screenshot shows the IECEx website interface. At the top, there is a navigation bar with the following items: Information, Publications, Members' Area, Certificates & Licences, Meetings & Events, Contact, and Home. A dropdown menu is open under 'Information', listing: About IECEx, News Releases, PCIC Papers, UNECE, Countries, Executive, ExCBs, RTPs (highlighted with a red box), Meeting Schedule, and Links. Below the navigation bar, there is a banner for the IECEx system. To the right of the banner, there is a section titled 'IECEX' with a description: 'IECEX is the IEC System for Certification to Standards Relating to Equipment for Use in Explosive Atmospheres. It uses quality assessment specifications that are based on International Standards prepared by the International Electrotechnical Commission (IEC). Find out more about IECEx'. Below this, there is a 'Quick Links' section with 'View IECEx Certificates and Licences (CoC Online)' and 'Certification Bodies (ExCBs) - Equipment'. To the right of the quick links, there is a 'Featured' section with 'IECEX Chair's Reappointment'. The background of the website features an image of an offshore oil rig.

Finding an IECEx Recognised Training Provider (RTP)

IECEx Recognised Training Providers

The following organisations have been reviewed by IECEx and recognised under the **IECEx Recognised Training Provider Program** as having implemented processes to manage and provide training services related to the selection, design, inspection, installation, maintenance, repair, overhaul and reclamation of equipment operating in explosive (Ex) atmospheres.

Many organizations offer training in Ex technologies however not all of these offer training aligned with the structure and requirements of IECEx OD 503 and IECEx OD 504 that support the **IECEx Certified Persons Scheme**.

The awarding of Recognised Training Provider (RTP) status to an organisation indicates their commitment to provide relevant training services on the basis that these have been reviewed in accordance with IECEx Operational Document OD 521. Training organisations interested in seeking IECEx RTP Status should consult IECEx Operational Document [OD 521](#) for details.
